**PAKISTAN NAVY OBSERVES WORLD ENVIRONMENT DAY**

**Karachi, 05 Jun 24:** Pakistan Navy celebrated World Environment Day to underscore the significance and to emphasize on taking suitable measures to protect the marine ecosystem.

World Environment Day (WED) is observed every year under the ambit of United Nations to raise awareness on significance of healthy and green environment. This year's theme for World Environment Day is 'Land Restoration, Desertification, and Drought Resilience'. The aim of the theme will serve as a stark reminder of the urgent need to protect our land, sea and everything in between.

To show firm resolve and create awareness, Pakistan Navy celebrates WED to highlight the significance of environment in Pakistan and to promote awareness amongst personnel regarding practices conducive to the marine environment. PN has initiated numerous measures and actions ranging from collection of solid waste from harbour, establishment of Reedbed Plants in all areas under its jurisdiction besides extensive tree/ mangrove plantation campaigns. PN also continues to sensitize concerned Government and Non-Government organization and departments to join hands and initiate actions to stem marine pollution.

Chief of the Naval Staff, Admiral Naveed Ashraf in his message on World Environment Day reaffirmed PN resolve and commitment to make every effort for improving the quality of our environment. He urged unity to tackle the environmental crisis affecting our coastal areas and marine ecosystems with the same spirit, zeal and zest. He emphasized that a clean and green Pakistan is a prosperous Pakistan for which collective efforts are required to build a sustainable future, where our land and sea are preserved and forests grown for future generations.
