PAKISTAN NAVY SHIP ASLAT SEIZES LARGE CACHE OF NARCOTICS AT SEA

Karachi, 28 May 24: Pakistan Navy Ship ASLAT, successfully apprehended a vessel carrying huge cache of narcotics in the North Arabian Sea while deployed on Regional Maritime Security Patrol. Upon receipt of intel, PNS ASLAT intercepted the stateless boat and after thorough search, narcotics, worth thousands of dollars were recovered from the hidden compartments.

This significant seizure demonstrates the PN's unwavering commitment to safeguard maritime commons and combat illegal activities in the region. Pakistan Navy is maintaining permanent presence in the Indian Ocean to keep the national and international sea lines of communications under intense surveillance.

Pakistan Navy actively collaborates with regional and international partners, fostering a collective effort to safeguard the global commons and ensure freedom of navigation at high seas.
