**PAKISTAN NAVY MAINTAINS CONTINUOUS MONITORING OF MARITIME SITUATION IN THE ARABIAN SEA**

**Islamabad 7 Jan 24:** Pakistan Navy is ensuring permanent presence in the Arabian Sea to keep our and international Sea Lines of Communications under intense surveillance. The purpose is to protect Pakistan bound and international shipping traversing through our area. In this regard 2-3 ships are always patrolling the areas on which Pakistan bound and international merchant ships are plying. In addition extensive air surveillance is also being undertaken to ensure the safety of international Sea Lines of Communications passing through our maritime area. Pakistan Navy deployed its ships in wake of the recent maritime security incidents in the Arabian Sea.
